DESCRIPTION

Ideally located a stone's throw from the shopping center and just two minutes from the freeway, this bright 3.5-room apartment is on the 2nd floor of a building with elevator. Its privileged location, in the immediate vicinity of all amenities, makes it a particularly practical and sought-after property.

The apartment comprises two comfortable bedrooms and a bright living room with warm parquet flooring. The other rooms are tiled. The kitchen, fully fitted and renovated in 2016, is equipped with a dishwasher, large fridge and freezer. The bathroom has a bathtub. A balcony completes this property and offers a pleasant outdoor space.

The vast surrounding green spaces, playgrounds as well as the proximity of forests contribute to a calm, verdant living environment that is ideal for families. For any further information or to arrange a viewing, our Gérance C team is at your entire disposal.
